

**A-Frame**

**Model F**  
Fits Atwood  
A-Frame

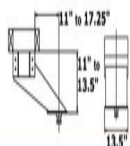

**SOFTHITCH COVER'S PROTECT...especially family**

1. First see if you can locate a silver tag or a stamped model number on your trailer hitch, if so match the hitch model to our cross reference sheet for correct SoftHitch model.
2. If you cannot find a Manufacturer or Pin box model on the hitch, use our view tool of CADD drawings to match to your hitch and then match the SoftHitch model to that CADD drawing. **3 Key measurements: Width & Hitch & Angle**
3. There are Manufactured hitches that are not exact to our CADD drawings. MATCH TO THE CLOSEST DRAWING. IF YOU ARE STILL NOT SURE CONTACT US AND WE WILL BE HAPPY TO HELP.

**WHAT IS A SOFTHITCH**

**day or night**

**www.softhitch.com**

**Engineered with safety in mind**

**A sensible attractive cover and shield durable to take the elements**

The purpose of the Softhitch is to research, design, develop and market a product that we feel as a company has a great need in the pull trailer industry and our product is the Softhitch.

We are trying to cover every hitch.

**FIFTH WHEEL & A-FRAME MODELS** available

**Features**

- Added protective shield cover helps prevent serious injuries
- Designed to fit most makes and model of hitches of fifth wheel and travel trailers
- Attaches with magnets -- no fussing with ties or complicated hardware
- RV Sales Centers can place their logo on the large surface of the product
- Manufactured using a clean light-colored material to compliment virtually all RVs
- Esthetically pleasing -- covers up those unsightly greasy hitches
- Product designed to adapt to Tripod Stabilizer or King Pin lock systems
- Reflective strip added to help prevent night time injury
- Equipped with carrying case
- Helps to protect from corrosion

**Safe**

Protect family, friends and especially your children

**Attractive**

Cover those unsightly, greasy hitches  
 Clean, light colored covers to compliment virtually all Rv's  
 Provides a clean finished appearance

**Durable/Functional**

The hitch covers are made of marine grade weather resistant materials with padded protective shield to prevent serious injuries.  
 A reflective strip is added to help prevent night time injury.  
 Covers come with a carrying case.

**Custom Fits Most Makes & Models**

Fifth-wheel and travel trailers  
 Adapts to Tripod Stabilizer or King Pin Lock System

**Easy Installation**
